

Core

The essential projector for every budget

Leading the way with affordable lamp-free projector is the Core. The XJ-V1 uses the cost-effective, environmentally-friendly Casio Laser & LED Hybrid light source boasting a brightness of 2,700 ANSI lumens. Ideal for use in classrooms and meeting spaces, where it can easily be refitted to existing installations if replacement is required. The Core offers outstanding total cost of ownership for high quality, impactful presentations with virtually no drop off in brightness over the 20,000 hour projector lifetime. All Casio projectors come with a 5 year/10,000 hour warranty* offering users total peace of mind.

Model	ANSI	Resolution	USB/WLAN
XJ-V1	2,700	XGA	-

Key features

- Lamp-free
- Low maintenance
- 2,700 ANSI lumens
- XGA resolution
- HDMI & RS-323C Connectivity
- Quick start and stop
- Eco-friendly low power consumption
- Can be retrofitted to existing installations
- Less than A4 footprint size
